Kern Delta Milk Producers Association Dairy Project Awards

Raising and caring for a dairy heifer requires dedication and commitment to the animal and the project. The 4-H, FFA, and Independent youth who work with these animals put in a large amount of time and effort. In order to recognize these youth, the Kern Delta Milk Producers Association implemented the "Dairy Project Awards" back in the 1950's. They have continued the tradition of promoting dairy husbandry in youth by awarding those who excel in animal care, knowledge, record keeping, and exhibiting.

Each year, 4-H, FFA, and Independent exhibitors who enter dairy cattle at the Kern County Fair are offered the opportunity to participate in the Kern Delta Milk Producers Association "Dairy Project Awards". Judges evaluate the exhibitor and their animal prior to and at the Kern County Fair. Current cash awards are presented as follows:

First Place:	\$1,000.00
Second Place:	\$ 500.00
Third Place:	\$ 250.00

The awards are presented to the participants just before the Springer Heifer Auction at the Kern County Fair.
