

HELP THE HORSE INDUSTRY GROW AT THE KERN COUNTY FAIR!!

KERN COUNTY FAIR

“SPONSOR A STALL PROJECT”

The Kern County Fair is encouraging individuals and business to participate in the remodel of the existing horse barns by sponsoring a stall.

Due to the state budget cuts to all the Fairs in California, we are now looking for outside help to upgrade our facilities to accommodate more horsing events. What better way to do so by “sponsoring a stall”! We would also like to bring in more horse shows, rodeos, and educational programs to help the youth learn about the horse industry.

The cost to sponsor is \$500.00 per stall. The following will be included with your sponsorship:

1. A plaque with your name/ business or in loving memory of will be placed on your sponsored stall door.
2. The plaque is guaranteed to be displayed on the stall for two (2) years.
3. Your name/ business will be placed as a sponsor of the Kern County Fair in advertisement.

Sponsor a Stall at the Kern County Fair by contacting:
